STUDIES IN ACCOUNTANCY 1987

Studies in Accountancy is a distillation of the most important articles which appear in Accountancy.

It is a selection made by the Features Editor with the needs of examination students in mind. The Examination Committee has for some years stressed the need for wide reading on the part of candidates for the Institute's examinations, and *Studies in Accountancy* provides important information for all students.

Please send me. . . . . copy/ies of *Studies in Accountancy 1987.*

Price £6.00 per copy.

Please send remittance, payable to *Accountancy, with your order to Accountancy,* 40 Bernard Street, London WC1N 1LD.

ACCOUNTING AND BUSINESS RESEARCH

(published quarterly)

A technical journal concentrating on new ideas and research in accounting, finance and business. ABR is read by accounting research specialists, teachers and practitioners and is of interest to anyone concerned with the latest developments in these fields.

Recent articles have examined such varied topics as the prediction of corporate failure, the communication of computer generated information and the accountability of UK nationalised industries.
